

After fight SRK-Shrish, Farah bond Shahrukh again

Mumbai, February 03: Shahrukh Khan and Farah Khan, who were not on talking terms are friends once again. The Shahrukh Khan-Shirish Kunder fight seems to have worked as a reason for Farah and Shahrukh to become friends once again.

Recently, Shirish had accused Shahrukh of having slapped him at a party. Shahrukh and Shirish met at the formers house along with their respective wives and the key mediators ? Sajid Nadiadwala and Sajid Khan. The meeting not only helped in resolving the problem between Shirish and Shahrukh, it also cleared all misunderstanding between Shahrukh Khan and Farah Khan.

Farah seems happy and content at last. Boman Irani, who will be seen opposite Farah Khan in Shirin Farhad recently tweeted, ?Filming With Farah for Shirin Farhad. Great to see her happy, as all is well with SRK. A bounce in her step & cheerful. Here's to friendship!
