

Bebo wants Salman, Kat indifferent

Mumbai, July 30: Kareena Kapoor is not only a Kapoor baby but has managed to establish a name for herself in the industry. It was not easy for her, she managed to work hard on her body and talent and now she is counted in one of the top actresses in Bollywood.

She will work with the national award winning director, Madhur Bhandarkar and also will be seen with Saif Ali Khan in Agent Vinod. Bebo, according to the recent reports only demands top rated stars like Salman, Aamir, Shahrukh and Akshay Kumar.

Despite Katrina's graph has been better of that of Kareena, she has never been choosy about her actors but her stars has always been in favour to get an opportunity to share the screen with biggies of Bollywood!

Is that Katrina is more conscious about her roles and not co-stars and vice-versa for Kareena?
